?

The screenshot shows the Jira calendar interface for December 2021. A modal dialog titled "Edit" is open in the center. The dialog has a sidebar with options: Main (selected), Layout, Share, Quick filters, Card Colors, and Integration. The main content area of the dialog is titled "Name *" and contains a text input field with the value "Unresolved tasks". Below this, there is a "Display" section with three radio buttons: "Project", "Saved Filters" (which is selected), and "JQL (Advanced)". Under the "Saved Filters" section, there is a dropdown menu with the selected filter: "project in ('Customer management', Support) AND resolution = Unresolved". Below the dropdown, there is a "Based on" section with a "Date-Time field(s)" dropdown set to "Date". The "Start Date Field" is set to "Start Date" and the "End Date Field" is set to "End Date". At the bottom of the dialog, there is a "Display issues with empty end dates:" section with two radio buttons: "as planned (put in calendar grid)" (selected) and "as unplanned (put in the Unplanned Issues section)". At the bottom of the dialog, there are three buttons: "Remove" (red), "Save" (blue), and "Close" (grey). The background shows a calendar grid for December 2021 with dates 29, 30, 6, 7, 13, 14, 20, 21, 27, and 28. On the right side, there is a sidebar with "Unplanned issues" and "Unplanned Issues" sections. The "Unplanned Issues" section has a search bar with "Contains text" and a checkbox for "Show resolved issues" which is unchecked. Below this, it says "No unplanned issues.".

The screenshot shows the Jira interface with a calendar view. A meeting titled "Diana All day Meeting" is scheduled for Monday, August 9th. An "Edit" modal is displayed in the foreground, providing options to customize the card colors for issues. The modal includes tabs for Main, Layout, Share, Quick filters, Card Colors, and Integration. The "Card Colors" tab is active, showing a list of rules that determine the color of issue cards based on their properties. There are four rules defined:

- Rule 1:** priority = Highest or assignee = currentUser() or priority = Highest or
- Rule 2:** priority = Medium
- Rule 3:** priority = Low
- Rule 4:** All remaining issues

Each rule has a corresponding color swatch and a "Remove" button. At the bottom of the modal, there are buttons for "Remove", "Save", and "Close".
